

# **Key Elements Contributing to Student Success**

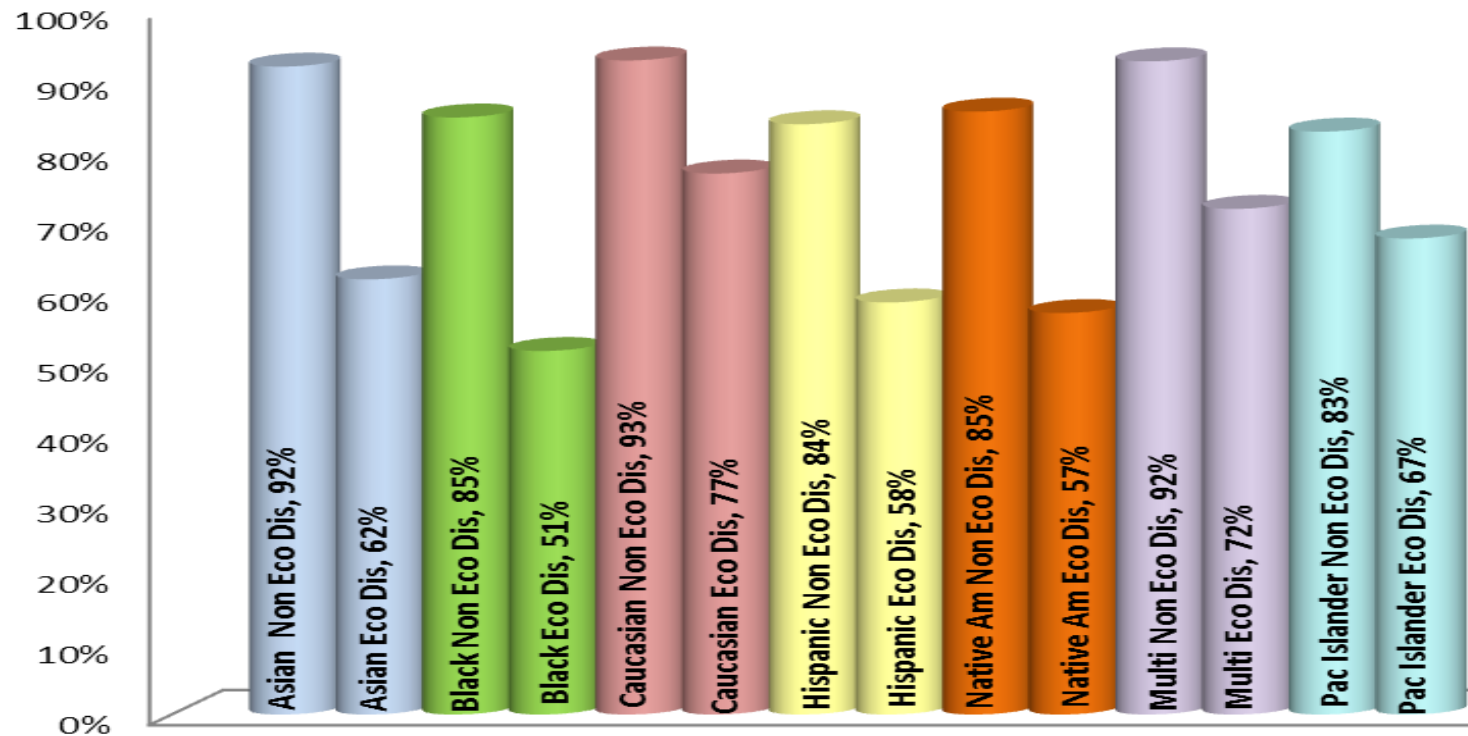

Excellence and Equity

Dr. McKell Withers  
USSA President  
June 26, 2013

# Understanding the Gaps (Challenges)

- Achievement/Ability (*individual*)
- Experience/Support (*family*)
- Opportunities/Expectations (*school*)
- Priorities/Commitment (*community*)

# The Poverty/Opportunity Gap

Spring 2012 Language Arts CRT

# Collective Expectations

## *As an Educator*

- Reasonable
- Approachable
- Thoughtful
- Purposeful
- Trusted
- Engaged

## *As a School Community*

- Welcoming
- Safe
- Clear Priorities
- High Expectations
- Work Aligned
- Responsive

# Key Elements

## ✓ Contributing to student success

- *Long term plan and commitment with adequate resources*
  - (high performing countries, states, districts, schools, classrooms)
- *World class standards with local control and collaboration*
  - (whole student focused, standards-based, data driven instruction)
- *Strategic investments for students, families, and teachers*
  - (targeted PD, PreK-3, STEM/STEAM, technology, interventions)
- *Effective teachers, leaders, and support staff*
  - (recruiting, retaining, mentoring, coaching, evaluating)
- *Must include all stakeholders in the process*
  - (PLCs, SCCs, parents, community/agency/business partners)

## ✓ System that enhances those elements

- *World class standards with appropriate assessments, local control, adequate resources, and time to implement*
